Natural Blues – Elementary Power

Natural Blues is the Blues formation created in Hamburg by Norbert Egger in 1982. At that time, the 1979 founded band City Blues Connection has been the main project with up to 20 concerts a month. Initially Natural Blues has been intended as a "side project", but with its incredibly diverse Power Blues and extravagant show, the band evolved to become a main act. After the death of the founding member and outstanding Blues harp player Heiko Petcke in 2017, Norbert Egger re-formed and expanded the band. At the new formation, Alex Meik (double bass), Hubert Hofherr (Blues harp), and Stefan Schubert (guitar and vocals) joined the band.

Blues from all eras of its history is presented, from the earliest country blues on acoustic instruments to the Blues of the 1920s, Mississippi Delta Blues, Chicago Blues and current Blues Rock. As live act, Natural Blues offers an extraordinary stage performance: it is captivating and entertaining, when band leader Norbert Egger performs his wild show and letting his slide guitar scream, Hubert Hofherr is doing his magic with the Blues harp, Stefan Schubert conjures up his brilliant solos on the parquet, or the whole band involves the audience as a huge background choir.

In 2019, Natural Blues published the first EP *Shame On You, Mr. Trump* with committed lyrics according to the politics of the 45th president of the United States, Donald J. Trump. This first release has been very successful: the music has been played by many radio stations around the world. Two songs of this EP established themselves for almost 18 months in the Bluestime Blues Charts, reached #1 and held the top position for more than nine weeks. Dozens of very good reviews in music magazines and radio shows completed the successful publication. The same year, Natural Blues had also a big number of very successful concerts, too. In good memory are, for example, the concerts at Rockhouse Salzburg and as support act for Jethro Tull, where they wowed the audience! In 2020 Natural Blues released another two EP's *I Can't Breathe* and *Extraordinary Times*. EP *I Can't Breathe* included mainly modern electric Chicago Blues and Blues Rock, EP *Extraordinary Times* mainly acoustic Blues.

The current album is the musical journey from the Mississippi-Delta to Chicago, from Delta Blues to electric Chicago Blues and modern Blues Rock.
